

Workshop Teaching History and Languages of Taiwan

Date: 7 to 8 October. 9:00 German time (15:00 Taiwan time) and finish at 12.15 (18:15 Taiwan time).

Format: Video conference (Zoom)

Organizer Institute: Research Unit for Taiwanese Culture and Literature, Faculty of East Asian Studies, Ruhr University Bochum

Theme:

This workshop is held for the purpose that to edit a source book for European undergraduate students' better and basic understanding of Taiwan's history. For depicting the connections between languages, language teaching, and historical narratives, this workshop will invite senior and junior scholars both from Germany and Taiwan to have a brainstorming session on how to present the most important and pivotal perspectives of Taiwan culture and history, and which texts to choose for a sourcebook on the history of Taiwan.

a.) *Language Policies in Taiwan*, including Chinese (Hoklo and Hakka, Mandarin), aboriginal languages, Japanese, Dutch, and Spanish.

b.) *Many Faces of Taiwan's History*, narrations since the 16th century on/by different groups immigrants and regimes.
